

# MY VISIT ROADMAP

**CAREGIVERS:** We know that medical checkups are sometimes challenging for young kids. We created this visual schedule to help you review what to expect with your child and for your child to follow along during the visit. When you're done, please stop by the front desk to get a sticker to celebrate. In addition, please let our team know if there is anything we can do to help your child's visit go more smoothly.

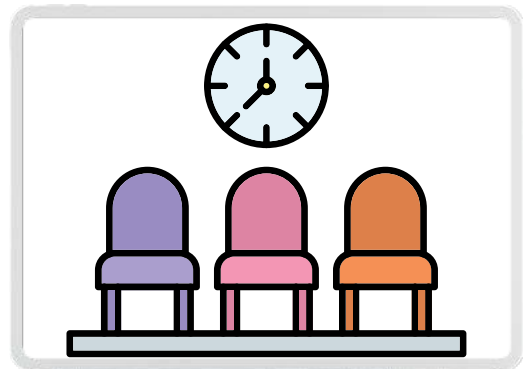

★ Use this side if your child **WILL** be getting a vaccine today. ★

**Check in for my visit**

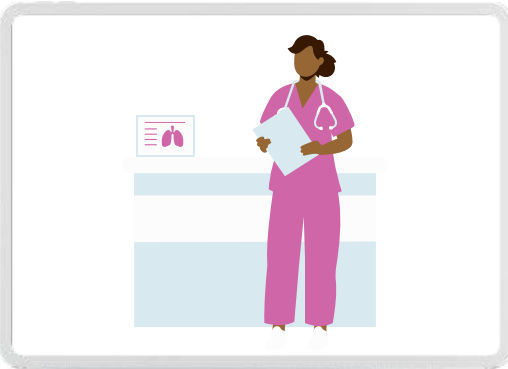

1

**Wait for my turn**

2

**The nurse calls my name and takes me to the exam room**

3

**The nurse checks my weight, height, blood pressure, & pulse**

4

**Wait patiently until the doctor or nurse practitioner comes in and we talk about my health**

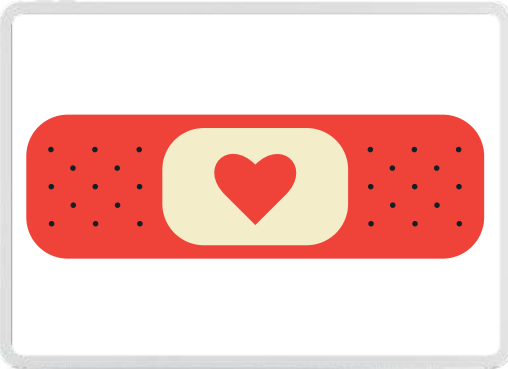

5

**The doctor or nurse practitioner checks my eyes, ears, mouth, belly, & heart**

6

**Time for my vaccine to help my body stay healthy**

7

**I DID IT!!!**

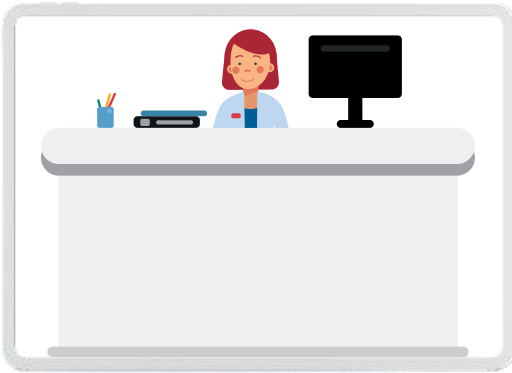

# MY VISIT ROADMAP
